

Manufacturing

David Osborne, Managing Director at Roman

“We’ve dealt with Muckle for 30 years. They are very responsive, they understand us and we make a very good partnership together.”

Cutting edge legal advice that makes manufacturing happen. We provide innovative and commercial legal advice on a wide range of manufacturing issues.

Manufacturing companies operate in a fast-moving world. That’s why it’s important to have a legal team that is up-to-speed on all the challenges facing the sector.

Our clients range from start-ups producing cutting edge technology to multi-national corporations including CAV Ice Protection, Thomas Swan, AAF International and Zytronic.

We have a cross-firm team of lawyers that advises manufacturers of all shapes and sizes on the legal aspects of running their businesses. We cover all of the following:

- Funding
- Supply, distribution and other commercial agreements
- Intellectual property
- Buying and selling a business
- Mergers and acquisitions
- Raising finance
- Property
- Debt recovery and disputes
- Employment and trade union negotiations
- Procurement
- Directors’ duties and company secretarial services
- Competition law

expert advice - always

Some more detail about the range of expertise we offer is set out below.

Corporate

Independent researchers at Legal 500 and Chambers & Partners rank our corporate team top in the North East and we have won Corporate Law Firm of the Year at the Insider North East Dealmakers Awards more times than any other firm.

Banking and Restructuring

Top-ranked in Legal 500 and Chambers & Partners, our award-winning team can support any debt finance raising, from a simple working capital facility to a complicated bond issue or multi-bank arrangement. They also provide advice on debt restructuring and any insolvency and creditor issues.

Real Estate

Large and highly respected, our award winning real estate team has the specialists to handle every property issue from acquiring new premises to asset management and property development, as well as property disputes.

Commercial

Top ranked in Legal 500, our commercial team knows everything there is to know about intellectual property and commercial contracts big, small, bespoke or standardised, on or offline.

Technology

From data breaches to development and procurement, IT is a rapid growth area in business with many legal implications. That is why our specialist technology team is a huge asset to the region.

Dispute Resolution

Our dispute resolution team is regularly engaged in multimillion pound national and international litigation as well as smaller local disputes. It offers strategic advice and alternative dispute resolution, emergency remedies and a highly successful debt recovery service.

Employment

Our employment team has a broad range of expertise. It is renowned for its communication skills and for handling highly sensitive senior team changes.

In addition to day-to-day legal work, our lawyers regularly give talks and training on employment law, ideal for in-house legal teams and HR professionals.

Construction & Engineering

Our construction team specialises in contentious and non-contentious issues and is working on some of the biggest building projects in the North East.

Private Client

For business owners, directors and senior executives we offer a personal private client service to advise on all aspects of estate planning, including wills, succession, inheritance tax, family trusts, powers of attorney and probate.

Agriculture, Estates and Rural Property

Our rural specialists relish being out and about, getting their boots muddy and talking through clients' legal issues in person. From buying and selling property to renewable energy or mines and minerals issues, they can help.

This is just a snapshot of the expertise Muckle offers.

If you have any questions or would like to discuss any aspect of your business and the challenges it may be facing please contact Robin Adams, who heads up our manufacturing team.
