1.30-2.10PM: HOW TO DEVELOP A WINNING GO-TO-TALENT STRATEGY FOR 2023 AND BEYOND (HOSTED BY VENTURE.10)

- Every business needs to hire people to grow and it's easier to do than most people make out. We developed our HIGH-er Talent Model to help business leaders and managers to hire high potential talent, quickly and painlessly, with the highest chance of their new team members performing and growing with them for years to come
- In this session I'll share our insights into talent attraction that have helped hiring leaders know more clearly who they need and how to attract and hire them, giving them faster results, higher performance, and more time by leveraging our processes and tools that work across all industries and roles

2.30PM-3.15PM: MANAGING YOUR BUSINESS' RECRUITMENT STRATEGY (HOSTED BY MTC)

- Upskilling your workforce
- Retaining good staff
- Creating a skills pipeline
- Apprenticeships
